## Valvoline ATV 4 Stroke SAE 10W-40 Oil

Valvoline ATV 4 Stroke Oil is formulated with the highest quality basestocks and additives to provide protection to the engine. ATVs place demands on oil that automotive oils are not designed to handle. The wet clutch system, high torque and loads, and the extreme operating environments of ATVs require oil with special properties for proper performance and protection. Valvoline ATV 4 Stroke Oil meets specific demands of ATV applications, providing the proper frictional properties for the wet clutch system, and the film strength for high running temperatures. Valvoline ATV 4 Stroke Oil contains a proprietary blend of premium base oils and advanced additive technology for outstanding performance and corrosion protection to help owners to get the most from their ATVs.

### Valvoline ATV 4 Stroke Oil Advantages

- Extreme Condition Performance
- Wet Clutch Protection
